

Aunty B

In a small, neat village
where people sing & dance
there is a cool, neat lady
who wears colourful,
groovy pants!

Aunty B is special indeed

She teaches us how
to sing, rhyme and read;

She's a groovy gal and funny too!
We even learn to tie our shoes!

It's Aunty B & Tommy

We learn with others
near & far

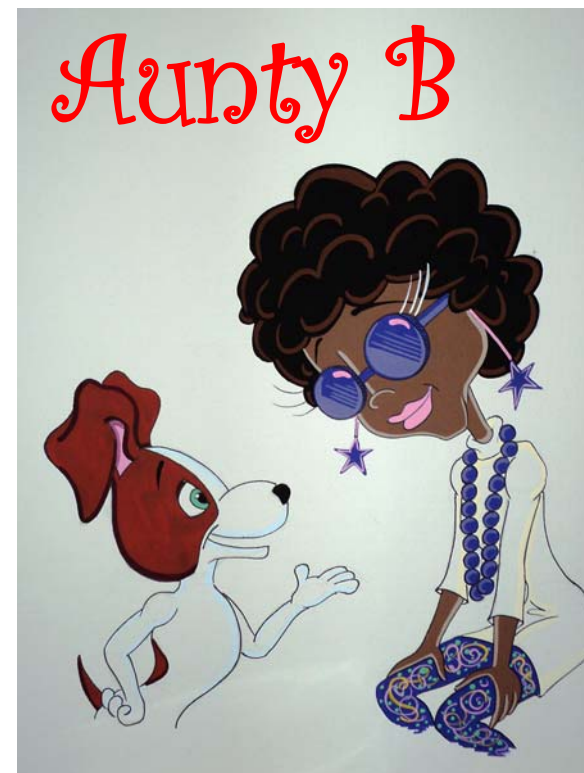

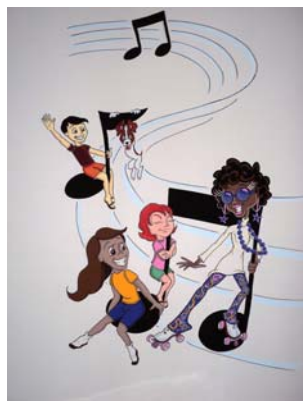

And her sidekick Tommy is
a best friend to us all!

Tommy

With magical skates,
she'll come your way
and it could be today!

"What an adventure!"
they'll all yell and say!

Aunty B & Tommy

Aunty B is fun and groovy,
she mentors children between
the ages of 0 and 6 years old,
providing a new & exciting way of learning.

Through song and rhyme, Aunty B helps
children deal with bullying and teaches them
how to love themselves & others.

You may find Aunty B at a birthday party
or even at your school.
